

MATA Architects are looking for a talented Part II architectural assistant to join our friendly team based at Great Western Studios, London W2.

MATA Architects is a design focused and collaborative studio. Our current projects are diverse and different, ranging from private to multi-unit residential, commercial and hospitality schemes.

We employ a variety of tools during our design process and allow time for testing and refining through sketching, physical and digital 3D modelling, parametric design (Grasshopper, Revit).

Our ideal candidate will be looking for an opportunity to join a young and ambitious practice in its early days. They will be excited about the prospect of working across all RIBA Workstages and of a role that encompasses a wide range of tasks across a mix of live and research projects.

The right applicant with initiative and drive will have a voice at MATA, helping to steer and develop the direction of a growing practice. We are looking for someone enthusiastic about getting involved in all aspects of architectural practice.

We invest in people and support personal and career growth and development.

Required Skills/Experience:

- A good graphic eye with excellent visual and verbal communication skills.
- Proficiency and confidence in Adobe Photoshop, In Design, Illustrator.
- Excellent 3D modelling skills - physical and digital.
- Proficiency and confidence in Rhino.
- Fluency in written and spoken English.
- Experience of at least 1 year in a UK architectural office.
- Good technical skills and some experience working at detailed design Stage 4.

Proficiency in the following software is advantageous:

- Microstation
- Grasshopper
- Enscape
- Revit

The successful candidate will have:

- A high level of motivation, pro-active attitude and a willingness to learn.
- A generalist skillset with broad interests.
- A passion for architecture and design.
- Ambition and the confidence to propose new and creative ideas.
- Office dog friendly.

The position is available immediately.

If you are interested in this opportunity, please email your CV and samples of work together with a cover letter setting out why you want to work at MATA and why you believe you are a suitable candidate for the role. Email to info@mata-architects.co.uk.

Regrettably we will not be able to respond to all applicants.
